Statement

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

The Petitions Attorney stated in the office action dated September 3, 2002 that the applicant had failed to file a complete response. When another Petitions Attorney reviewed the file it appeared that the cancellation of a number of the claims was overlooked. The applicants under MPEP §607 have a right to cancel claims and pay just the basic filing fee. This is exactly what the applicants did. The applicants believe that their reply was complete on July 19, 2002.
